

Classical Lutheran education is focused on teaching reading, writing, and arithmetic. All subjects are taught with a Christian worldview.

Our unique aspects of the curriculum include:

- A Christ-centered Education
- Daily Worship
- Phonics
- Latin
- Music Instruction

### Music Instruction

Music education can unlock a child's ability to think, reason and learn. Studies have shown that children who learn music at a young age become more proficient in other subjects as well. We provide a music experience which includes performing, listening and learning important musical works - music derived from our Lutheran

### Daily Worship

Each school day begins with a chapel service, held in Good Shepherd's sanctuary, and with prayer. We encourage family and friends to worship with us. We also invite you to join us for worship during our other services:

- Wednesdays at 6:30 pm
- Sundays at 8:00 am and 10:30 am
- Sunday School and Adult Bible Class
- Sundays at 9:30 am
- Radio Broadcast Sundays at 10:30 am on KFOR AM 1240

heritage, classical composers and the American tradition.

### Before and After School Program

We understand the needs of the parents' schedules and we now offer before and after school care.

### Phonics

Good Shepherd Lutheran School teaches phonics in order to prepare students for reading. The English language is based on the recognition of letters and the pronunciation of sounds because learning to read phonetically enables children to understand the grammatical aspects of the English language.

### Latin

Half of all English words have a Latin origin. The study of Latin enables children to develop and understand a wider range of vocabulary in the English language. We begin teaching Latin in 3rd grade.

## Good Shepherd Lutheran School

# Good Shepherd Lutheran School:

Is staffed by dedicated teachers and room assistants who are supportive of the families and children they serve.

Offers the lowest and most affordable tuition rates in Lincoln because we believe in Christian education.

## A Christ-centered Education

Christian education is the foundation of the curriculum we teach. The subjects we teach encourage our students to learn of the wonders of God's creation, witness His plans for mankind, rejoice in His gifts of music and art, and learn about His love and plan for salvation.

Teaches God's Word which is interwoven into each subject and made applicable to each child's life.

Is Christ-centered and an authentic classical approach to education, which has been proven to produce life-long learners.
